

EMBRACE THE ANGEL

Pillow Project

Calling All Child Artists!

Bring an Angel to life and submit your artwork for our *Embrace the Angel* Pillow Cover!

Created *by* children (18 & under) *for* children, our 16"x16" silk satin *Embrace the Angel* Pillow Cover features images of original Angel Art on both sides. As part of our "Be an Angel, Comfort an Angel" Program, for every pillow cover purchased, we donate one to a critically ill child to give them a bit of comfort, caring, and a sense of connection. We believe that this compassionate gesture of love will bring joy to children, allow them to embrace *their* angel, and find meaning in their journey.

- 1) Use an 8.5" x 11" or smaller piece of white paper, choose your media (crayon, ink, paint, scraps of colored paper, markers, etc.), and create your Angel Artwork: One angel or lots of angels!
- 2) Sign your first name in the lower right corner.
- 3) Scan your Angel Art (300dpi / CMYK / 8 bits is best), save as a .jpeg or .pdf file.
- 4) Have your parent or guardian email your scanned Angel Art to embracetheangels@gmail.com (don't forget the "s" after "angel") with "My Angel Art" in the subject line.

If your Angel Art is selected for an edition of our *Embrace the Angel* Pillow Cover, we will notify you by email and send you a free pillow cover as a "Thank You" gift! When submitting your artwork, please include your mailing address (we will keep your mailing address strictly confidential) and, if you like, tell us a little bit about yourself and the inspiration behind your Angels.

Submissions will be shared via our social media channels, so follow us on Facebook (*Embrace the Angel*) and #EmbracetheAngel. Children everywhere THANK YOU for contributing a little bit of heaven to their world!
